Shinra
What?!
What do you know of Bontenmaru? Aren't you just a pathetic dog running from your masters the Four Elders. so you can save your pathetic skin?

And don't you have dreams too? Or maybe you've always been a stuck-up pr ck with no faith n your own peop e?
And you're just an dle daydreamer who doesn't know the mits of h s own ab tes I'l show you how things rea y are

Oh those are tough words coming from a lapdog of the M but I'll open your eyes
You're just Kyo's little fanboy!! I'll show you the truth myself!!
Hey! Are you even listening
This really isn't the time or place for that
Um guys let's not fight

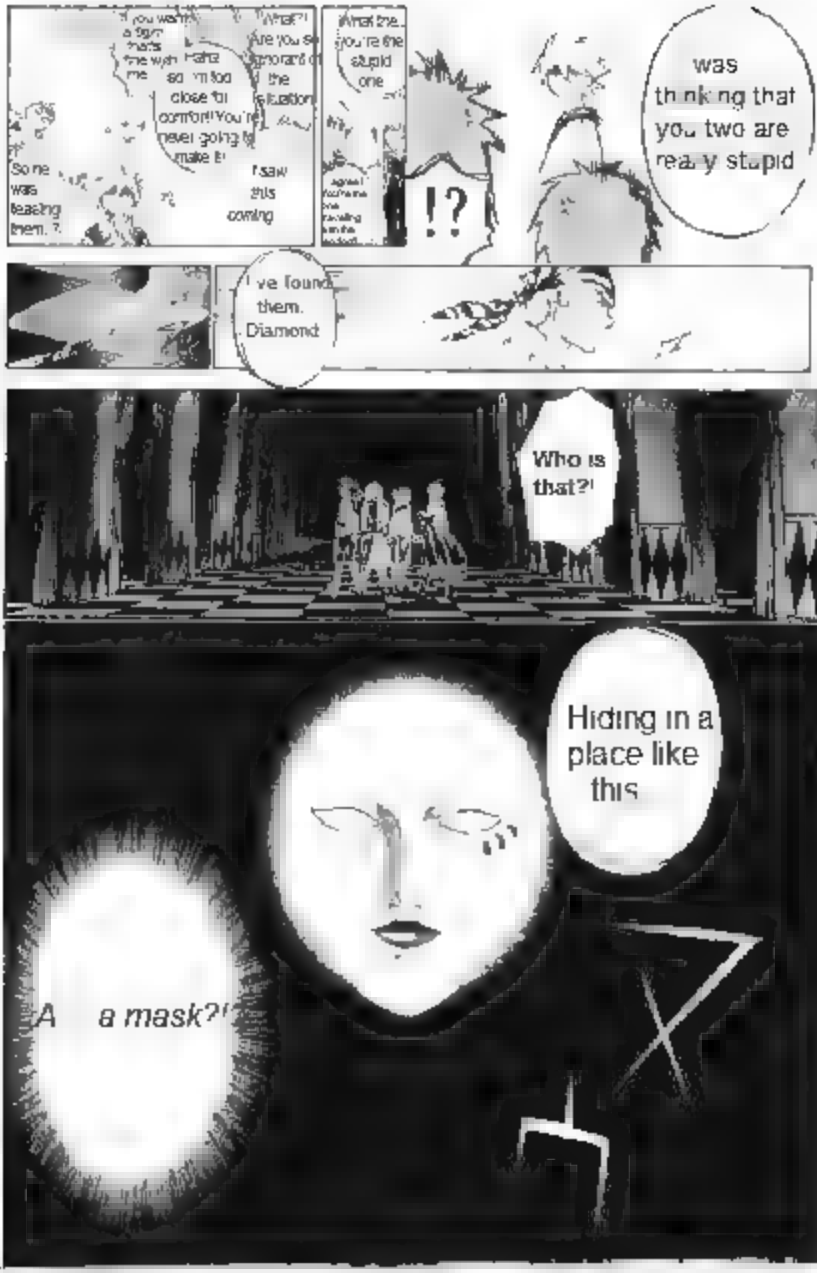
Everbody was n a bad mood but fighting won't get us anywhere



So me was teasing them..?
I saw this coming
What?! Are you so ignorant of the situation
What the... you're the stupid one

Quiet Diamond
Foo?
What?
So we were just for show huh?
ou don't under stand!
The Goyousei were a farce- you didn't even know the true clan
The Four Elders put their faith in us. their most esteemed and elite soldiers
You two are nothing compared to the Four Elders idiots

We can't talk because they're so dead
What is so funny?!
Well then this will shock you to your core!
Why are you laughing too?
hehe
The Four Elders have become evil! You should not speak of what you do not know!!
You don't understand anything! The Mibu have been lead down the path of destruction by the Four Elders!!
Power is justice what more do we need to know?
So what if they've become evil? We don't particularly care
DIE!!
What?
Then victory belongs to the swift.

Muhyou Getsuten!!

Aaha! They're just screwing with you!
You think you can do whatever you want!
Fuck you!!
You Idiot !!
What?!
We're going to save that man then.
But Akira of the Shiwaten, do you remember what you said about him before ?
Don't interfere!
What do you want?
Just shut up!

Then we can't die here like dogs !!
This may be painful and it may be humiliating,but can't forgive a selfish coward but you must save your friend's life it's more important than anything!!
Shinsare
Aooo oohh!
The howling of a pathetic dog
Heh that was a waste of breath
Once a Goyouser always a Goyouser once garbage always garbage

We were so caught up in the fight that we inadvertantly stepped over the line!!
Ah what should we do?
This is bad! bad!
You didn't it it were that easy, there would be no point to having a time in the first place!
It's too late! He'll know! He'll know!
Without a doubt, you will die here!!
Ah!!
A line?! What are they talking about?
Weren't they talking about this boundary here?
es but don't think we will leave without defeating you!
uh that's it???
You you got all excited over THAT?!

What just happened?
What?

Who are you?
Those three suddenly collapsed.

That was you?! You defeated them?!
What are you?
Hey why did you save us?
That guy
Wow you're strong! You saved our lives. Wah so there really are good people in the Mibu after all!

How do you know ?
Hotaru-chan you said this is your's house
But more importantly
Why are they making us dinner ?

One: Aren't fried foods bad for you?!
Two: Are you still worrying about your weight?

We Ke koku never thought you would bring friends home for dinner
I'm the oldest daughter Anna- nice to meet you
Hey Shinrei. give me the soy sauce
Aren't you making yourself a little too much at home?
And the five on the right are Yuran K an E an an and Maran
And's that's the second s ster Ange ca.
Ten in one house
But our father our oldest brother and the third brother aren't home right now
Still,
You shouldn't stand up during a meal! Save that silly stuff for later. We're sorry
wouldn't argue with her
What? That makes us They are enemies ready doesn't to fight? right?
You're against Yuran huh?
Hey Keikoku! You brought Shinrei too! So you're Mibu rebels now huh?
Well. Keikoku are you really against Yuran. ?

Anna
Your friends should really do the same. Oh, you have so many friends now!
R ght?
mean you know you can't possibly win a fight against Yuan don't you? Why don't you forget about such a dangerous thing and go home?
even bought the kind of ramen you like!
Yeah! Let's eat candy, and play, and do like we used to!
But it's been so boring without you here!
ea. who ever thought you would have so many friends?
Oh you guys
What are they saying Why was Hotaru in the Shiseiten if he had this place these people to return to...?
But
Keikoku lived in a place like this?
They re,re such a warm and loving family, who would have expected this from the Mibu!?

I guess that's how he can eat this meat now.
Hotaru is like a cat he'll take food from anyone
Oh that's right you haven't been with me Mitou for long Anthony is going to succeed our father's business so he became a needle master
A machine?
Oh he's the third brother
Anthony? There's more?
That's right no doubt about it
Anthony will be so happy that Hotaru's come home!
He wanted to be in Goyousei like Keikoku and he studied very hard
But you've already met Anthony already ?!
Needle Master
Keikoku used to hang out in his room while he was studying He studied like a machine!*
Hey, I'm home
*This is the quietest place for sleeping

The man from before!
Welcome home, Anthony!
His looks aren't the problem! He's a soldier. He's the enemy!
Oh, I know. He's really let himself go.
A Anthony doesn't look very studious.
Hmm? Oh, that's right. Anthony is a fighter.
Ahaha we forgot to mention that!!
Actually we're all soldiers here!!
I'm starting to think that Toldo's soldiers were better.
They're too carefree.
!!

S Such heated exchange of glances
What?

ばばば

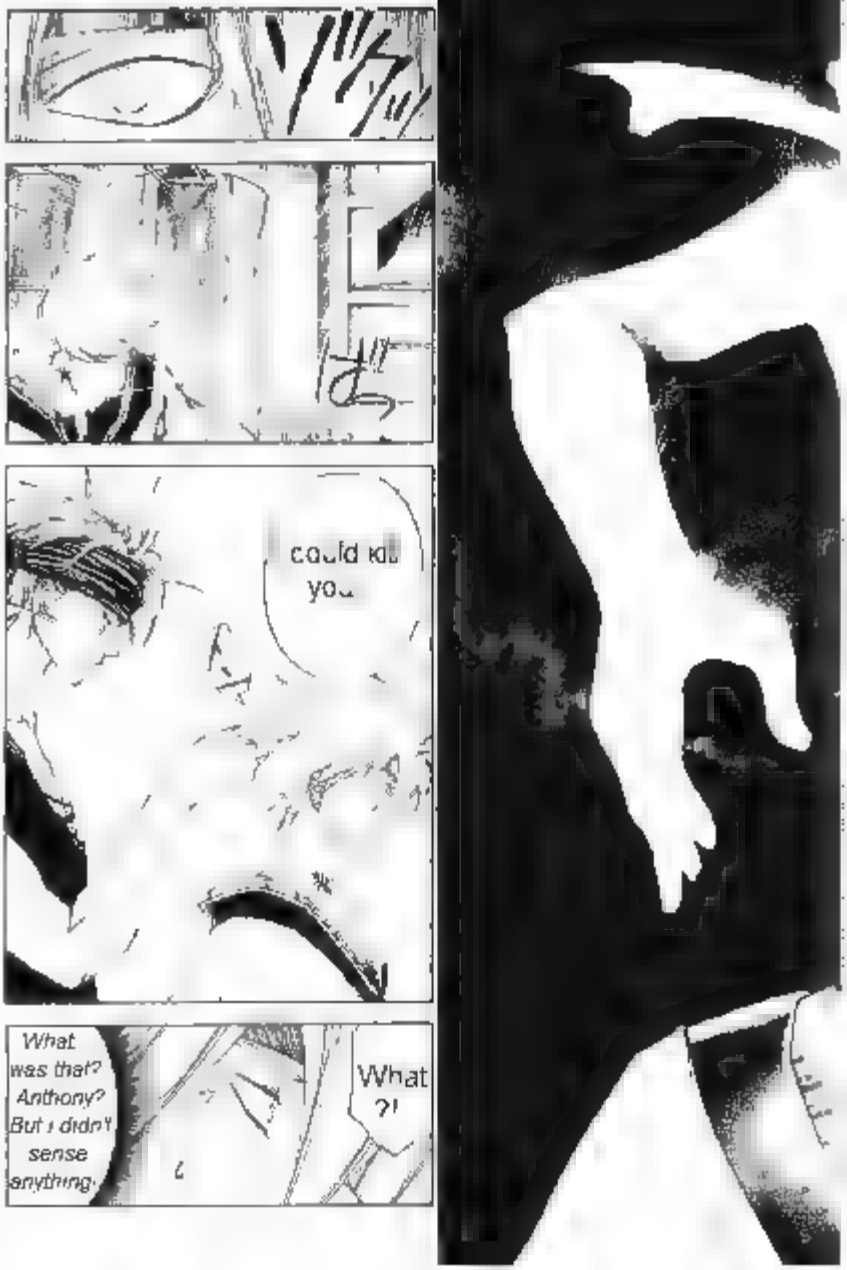
You don't even have a fragment of his strength so there's no way you could do it.
Yuan and the rest of us didn't even use all of our full power. When we really put our hearts into it our potential power is 120% more. And Yuan can speak to his sword so he can rapidly increase his power
You must have thought you were dead, Kelloku, you know this is because it was me who saved you.
You were Really defeated by both Tolito's guards and Yuan's guards
What?!
I've inherited special needle techniques from my father techniques handed down through generations of Mibu so it's very simple for me to shut down your entire body
The power to heal and the power to kill even if you use all of your latent power can you find a way to speak to your sword?
An thony
So you must never fight Yuan.
Never!!
And even if you fight the other Four Elders, there's no way you can equal their combined power

I'm sorry but I will fight Yuan
And will win.
You do know that to fight Yuan is to fight all of us right? And we won't just play around with you
Stop thinking you even have a chance against Yuan
Keik Oku
What are you talking about..?
don't know what the hell you're all thinking about this !!
Anthony that's really enough.
Anna you're too soft!
For them to go up against us is just suicidal !!
He doesn't even know how weak he is!!

But I'm sorry
And yet
What he's saying is true these people are the Four Elder's personally selected soldiers they're probably trying to protect us
You should go Keikoku.
Right Keikou ??
That thoughtless idiot
Keikoku
Keikoku! So you're going then.?
You'll leave?
"I'm sorry" Hearing what you feel makes me happy
And yet... why did we come so far? All the way to the Red Tower

I don't want to fight you!! You're part of my family!!
Now stop being an asshole!!
Family
Anthony
No matter what cold words are said
No matter what dangers lie ahead
Because we're family
Because my family is important to me
I will always protect Kekoku.

Hotaru
I must do this so I can be the person I am, so I can move forward as Hotaru of the Shiseiten.
No matter what happens I need to get past Yuan
Thank you Anthony
But I have to do this
No matter what
Anthony



could kil
you
What was that? Anthony? But I didn't sense anything.
What ?!

You can say that but is there really any hope that you'll win?
Hotaru-han
Fine I'll beat you and unleash my latent power and talk to my sword, and do everything you said he can do.
I'll show you the difference in our strength
I can't have you going up against Yuan without knowing what you're in for so I'll be your opponent now
Yuan is even stronger right? But right now you're no where near even my level.
He's serious
Anthony
What are you thinking Hotaru-han ?

How are you planning to fight him!?
Hotaru-han this Anthony guy is a professional soldier a guy who claims to be overwhelmingly strong

Hm? Well. because he's Yuan's student I guess
Why did you act like Keikoku is a member of your family ?
He was stick thin, wounded all over his body, and his feet were nearly frostbitten He looked like he was about to drop dead
Hey this is Keikoku I'm taking care of him for a while

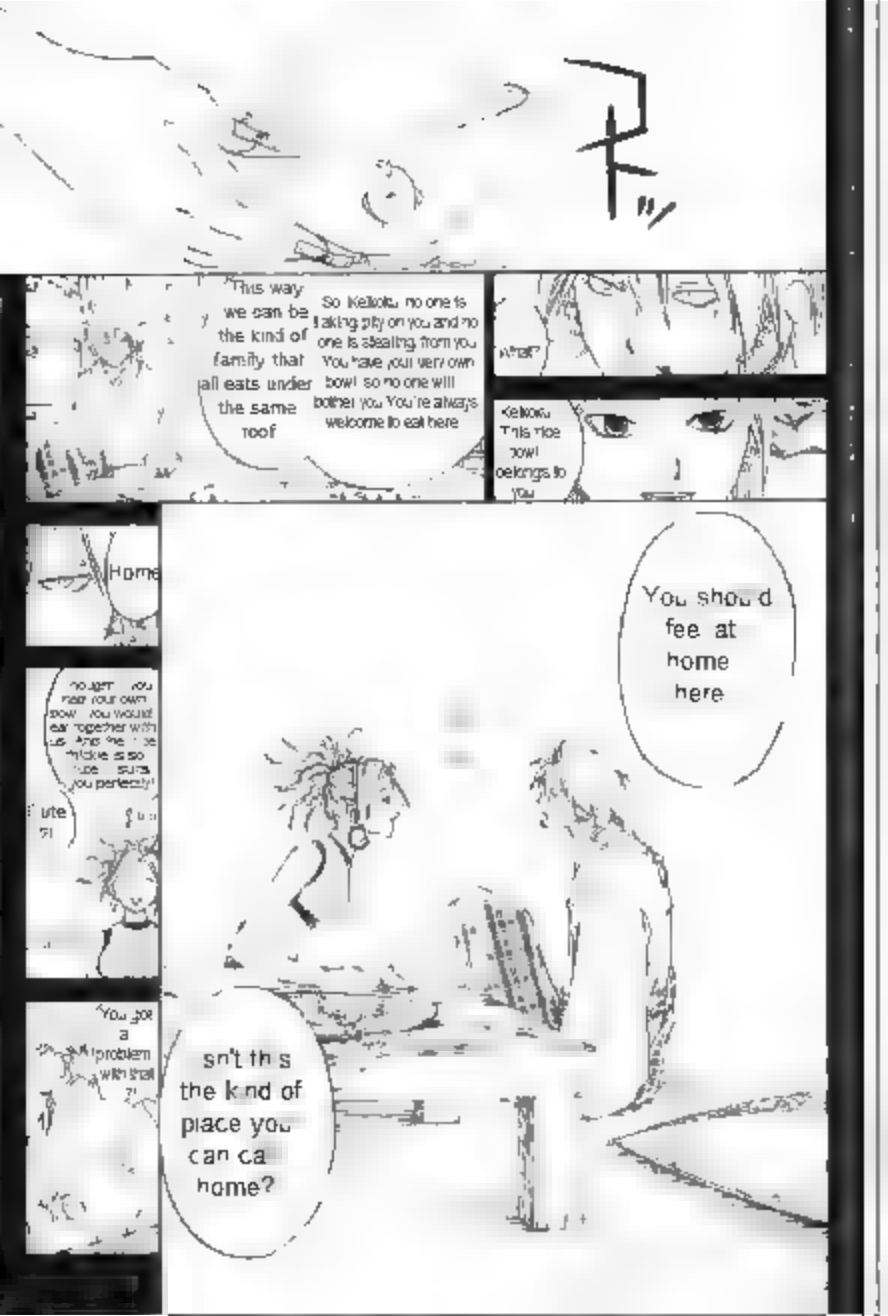
not going to eat your kara age can have it?
If he doesn't ke anyth ng, or want to eat that's fine
If he wants to starve to death that's his own choice Nothing we say will change his mind
Fuck Off

What ?!
So if you don't eat, nobody eats!!!
You brought him here? Don't be so irresponsible
Keikoku when you're here you're family and families eat together
And you don't dare say no to Anna
And then what?
That was on the 5th day of not eating
I go to where we would all for some food
It was on the sixth day
This is a really good dish
You don't look so good either
You can't taste your food looks weird
I can almost taste it
Look Below
You sure you're not hallucinating?

This has gone on long enough. Any more and you'll hurt my brothers and sisters.
Anthony ?
Why don't you eat? You're just being stubborn
My family is being lead around by some idiot and I think it's gone to it!
Liam's not here so you can't just leave. Nobody is stopping you so why can't you do it?
What ever!
No
Why do you keep saying 'no'. What's that supposed to mean?!
No
If you're not going to eat it, you don't need it
No
Let go!!
What ?!

And won't have anyone stealing from me!
mean don't take charity from anyone!!
But letting other people steal from me would be weak.
I won't take charity from anybody because I'm going to live all on my own.
Kei kaku
Ch Charity
You said you all were stronger than me But don't give a damn Shut up
Anthony
Are you fucking with us? Your whole way of life

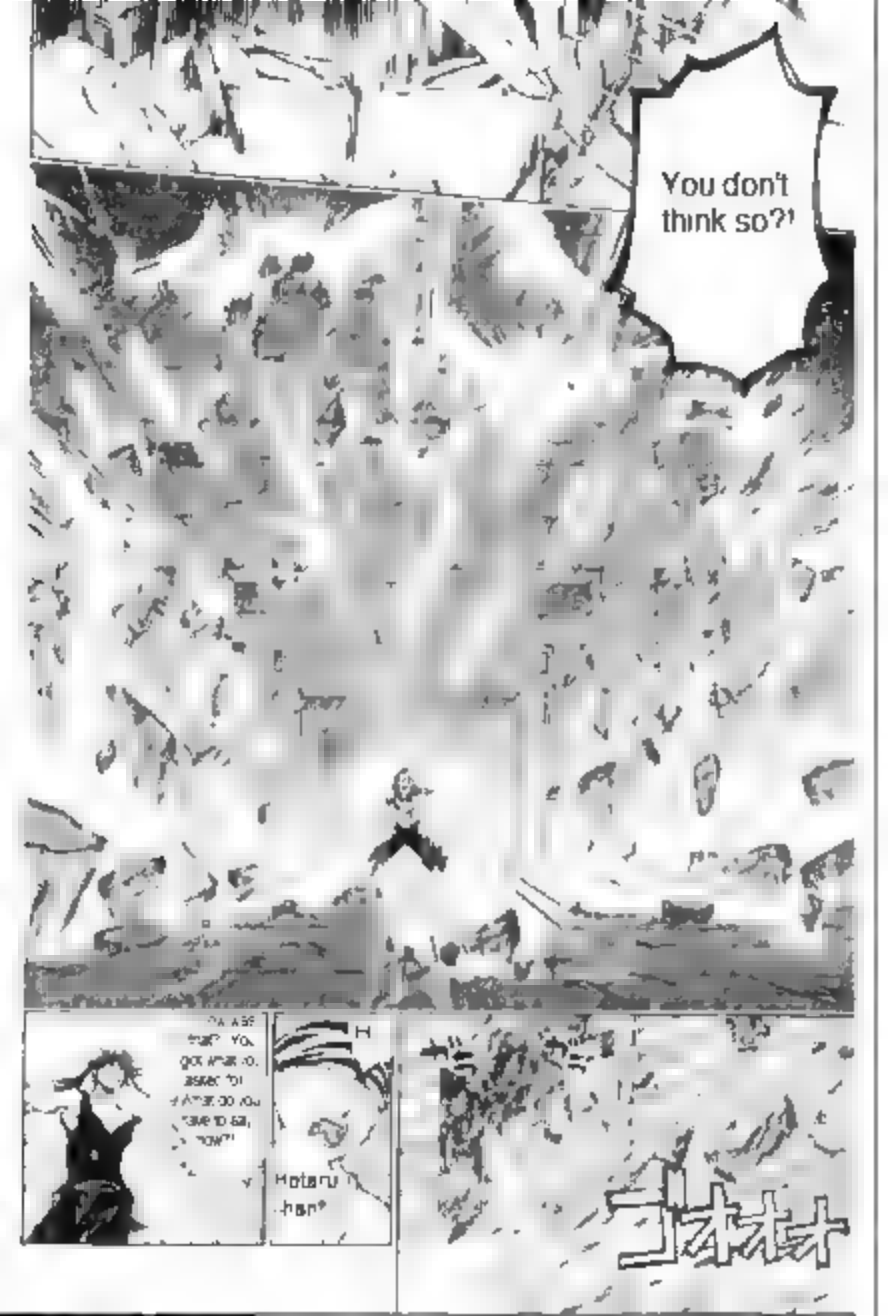
As long as you're here, you're not alone!!
If you think you can live like that and still show your face then you should shut the fuck up
Quit trying to act cool
Both of you need to shut up
Angelika



This way we can be the kind of family that all eats under the same roof
So Kellotu no one is taking pity on you and no one is stealing from you You have your very own bowl so no one will bother you You're always welcome to eat here
What?
Kellotu This rice bowl belongs to you
Home
You should feel at home here
You got a problem with that?
Isn't this the kind of place you can call home?

Ke koku?!
He's eating!
What a selfish bastard
kei ko ku
I won't be able to beat Yuan
If I don't get bigger and stronger...
What? You don't make enough?
Yum! He ate all of mine!
And I think that's the most delicious meal we ever had
Welcome home Yuan
home Yoo
And ming****
But that badly drawn little picture really makes you smile when you see it

Did he ever think of us as family? Maybe we never really meant anything to him
But some time after that, Keikoku just left without saying a word and he says we're his enemies and that he's going to fight Yuan
Angelica
We were just so hard, to train, get some food
At that time nothing could make me happier than seeing Keikoku eat.
That's when we first started seeing Keikoku as a part of our family
We just can't understand the warmth of a family
It can't be helped Hotaru and are both orphans
It's inevitable from birth people like us live in a cold and uncaring world
What?
don't think you can
You're toying around do you think you just dodge forever?!
What if I speed up?
Then I'll kill you!



You don't think so?!
Hotaru -han?

F na, y

But that man fought with no openings Hotaru affected to the point where he would risk his own life
Oh yes Anthony is dead meat!
Or is he just waiting to strike "

He won't defeat Anthony with such a childish attitude

Kesaku
But how
when
Hotaru

Now I'll show you my true strength...
've been holding back all this time otherwise, I'd kill you easily

The picture on it is crappy and weird, and Anna said that eating out of that thing with us would make him part of the "family." But that's not what "family" is to me

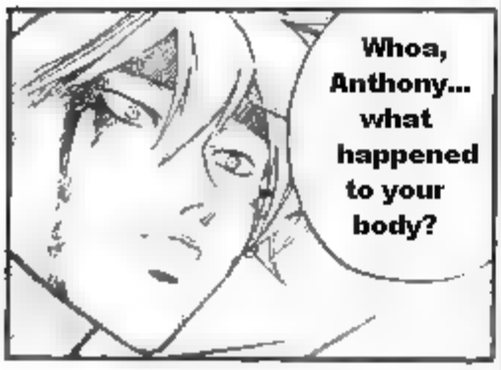
I really hate that stupid chickie bowl

But when he left the Mibu... when he left us... there was no hesitation. Our home was just a temporary place for him to train on his own

He wasn't harming anyone by staying with us, and he wasn't that bad to be around. So it was okay for him to live with us while he got stronger

CHAPTER 240:

ON MY WAY



Weren't you listening? I said I was a needle master. By manipulating the hidden points within the human body, I can cure illness, I can kill, and I can bring out laten power
You can't even touch my shadow

But when... !?
— From behind !?
And now from the front !?

So how do you like my secret techique, Kouryuuha?

If it cannot be seen or sensed, then is it impossible to defeat...!?
So Anthony's technique is far beyo nd my abili ty to sense ...!?
This is pathetic, Keikoku... just give it up
Ugh ...
I can't stand seeing you like this... I used to admire you
*Goal = Taishirou
Keikoku, why did you join the Goyousei? Is it because you wanted to protect the Aka no Ou?
I wish Yuan would just step down, even...
The Taishirou are closest the the Aka no Ou and are responsible for protecting him. It's a very honorable position, so it's only natural that I would aim for it
I wanted so badly to join the Taishirou ...
Shi Kaku*

...I just want to defeat the Ake no Ou.
You seem so sure of yourself then...
Do you know anything about family ties, or the confines we call of being a brother?
Up did we really share anything? No matter what you say, what we felt, my brother and sister, and memories

Quit fucking around !!

There's no mistake... just now ...

He spoke to his sword ...?!

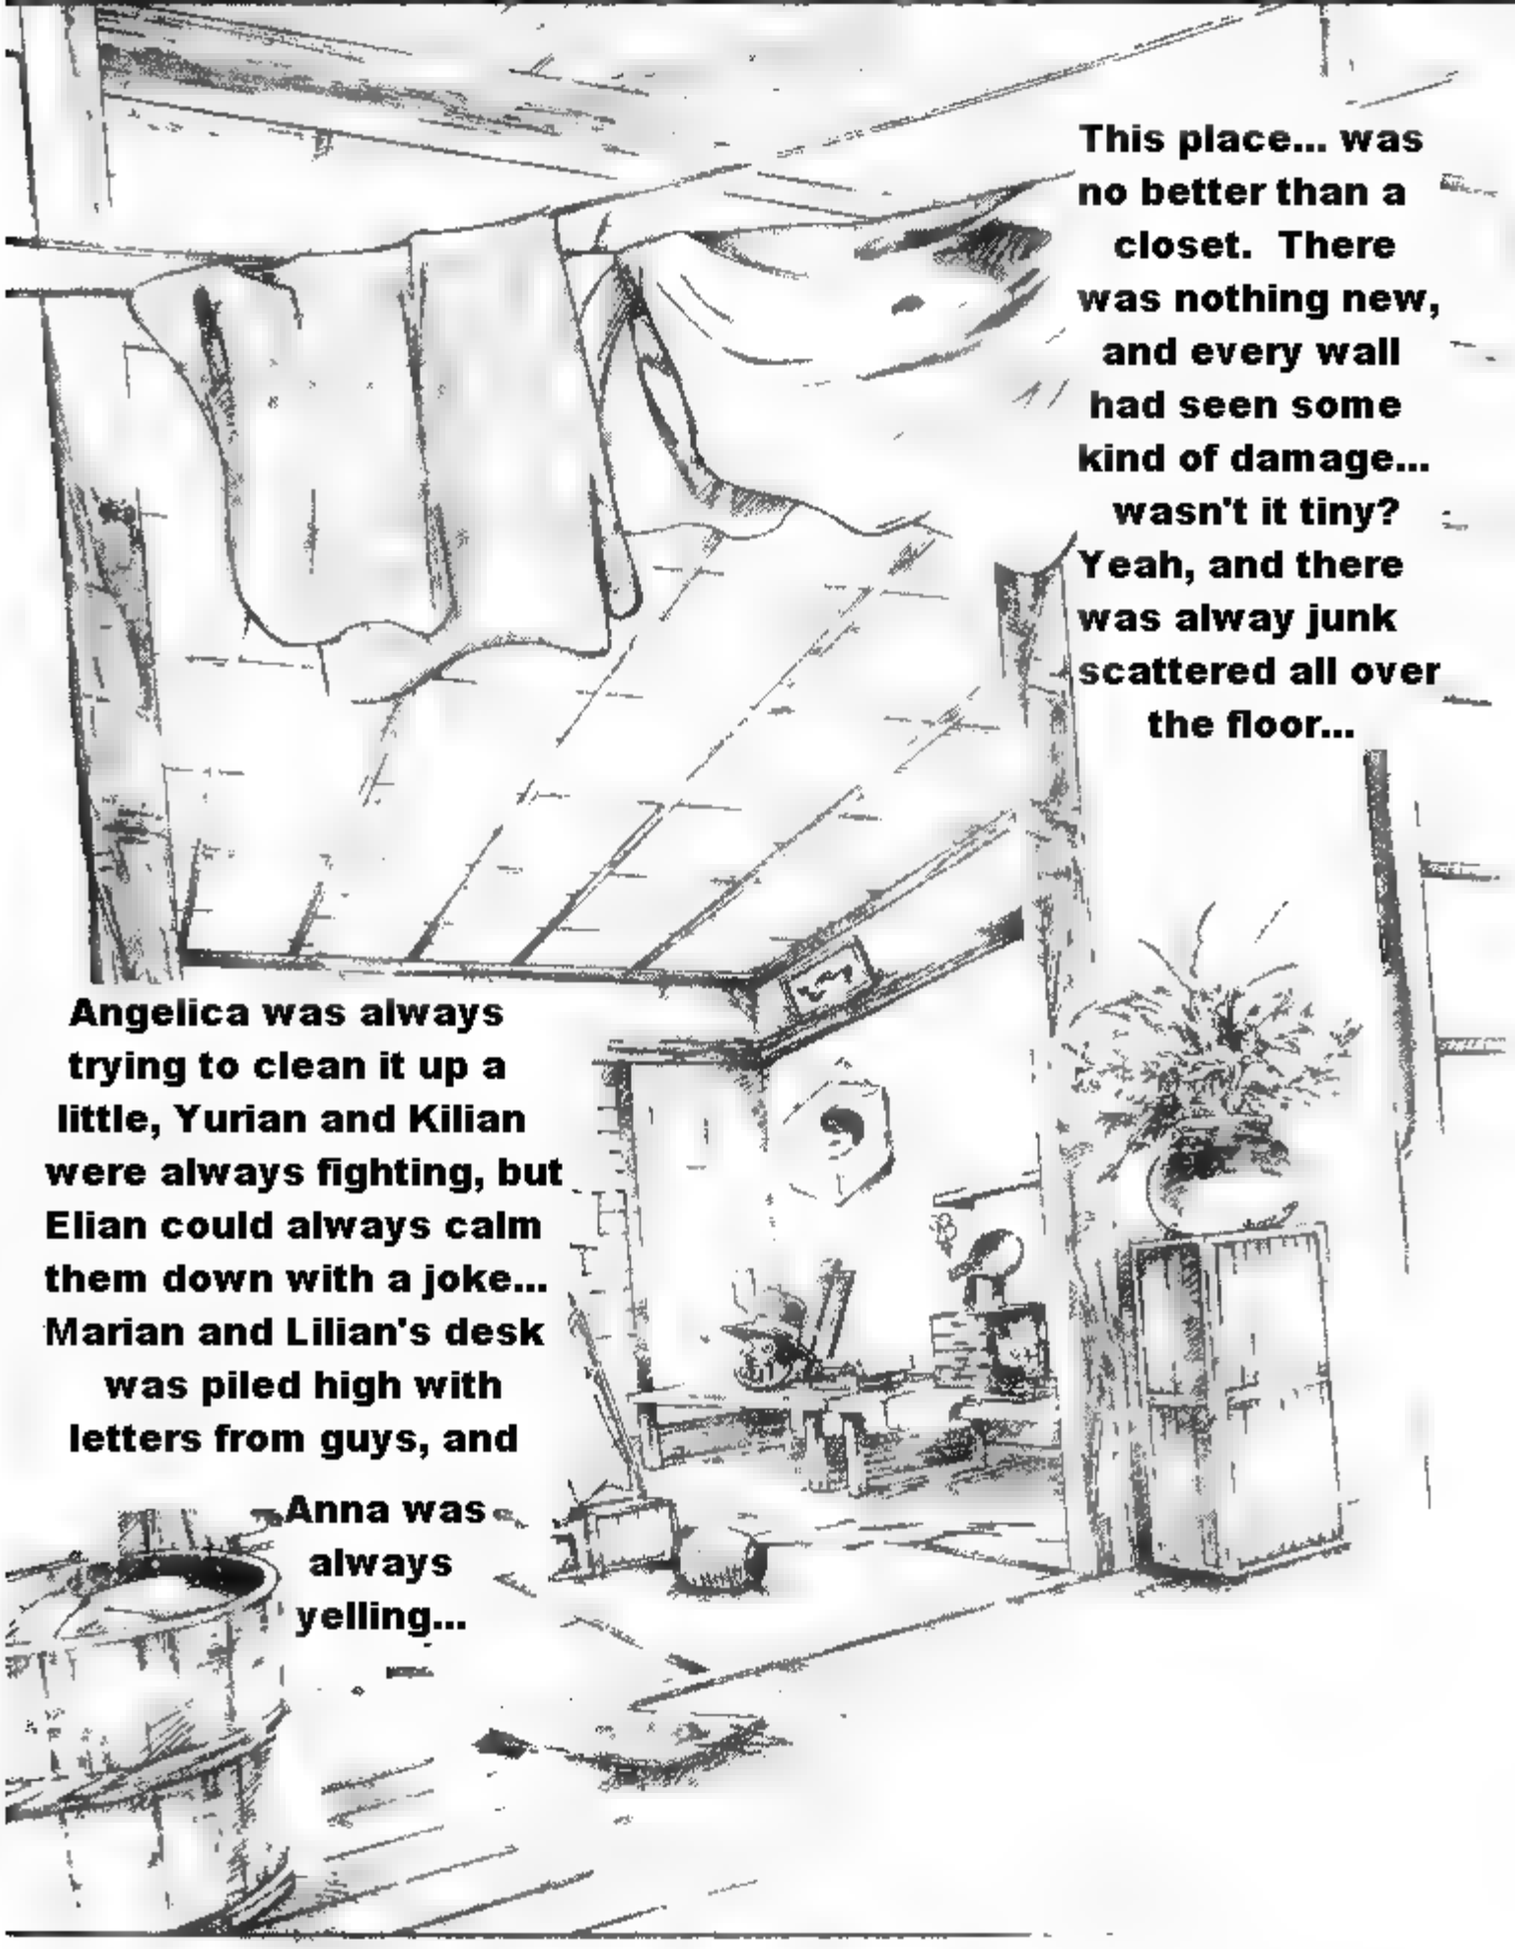
Keiko ku... you...

I won't lose again... I won't lose to anyone !!

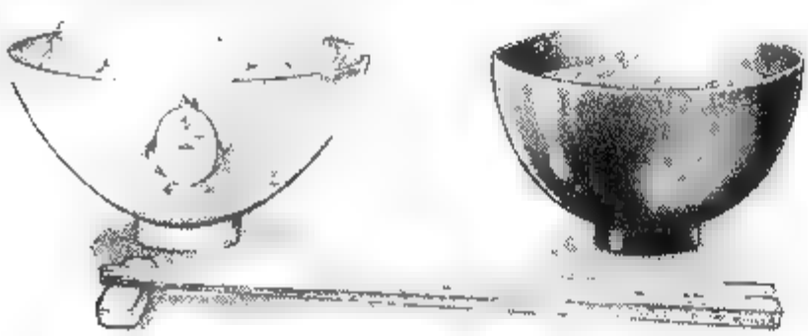
No... not yet...

Gah ...

It brings back so many good memories ...
He used up his power !?
Hota ru-han!!
Keik oku!!
...Anthony... I... I never really liked that stupid chickie bowl...
H... huh?
... What !?
I never really understood what a family was... I didn't care that I didn't understand...
And when I came here, I still didn't understand anything Anthony said, and I didn't understand your feelings, and I didn't want to come back here
But now I'm back...
And it's nice ...
Kei ko ku...



This place... was no better than a closet. There was nothing new, and every wall had seen some kind of damage... wasn't it tiny? Yeah, and there was alway junk scattered all over the floor...
Angelica was always trying to clean it up a little, Yurian and Kilian were always fighting, but Elian could always calm them down with a joke... Marian and Lilian's desk was piled high with letters from guys, and
Anna was always yelling...



I wonder ...

But I didn't even think about the things that had become important to me ...

I lived in that house, I ate from that bowl, and it started to feel like home...

Or am I really just worried because it might not be?

Is it still there?

I don't know... even then it was pretty old and crappy-looking ... but it's the bowl I always ate from...

If that old chickie bowl is still there?

Keiko ku...

It was like that stupid bowl was following me

But... while I was on that path, whenever I looked back...

Yeah, but I didn't care about it when I recklessly decided to follow my own path

But... I hope it's still here

I... I never liked that stupid bowl...

Was thinking about me

Like some body ...

And I knew that place was really important to "Keikoku" ...

And I got this really warm feeling ...

Keiko ku...

So...

The one who taught me that I could have feelings like this... was Kyo

If I could, then I'd never leave...

But... I'm "Hotaru" now, and I'm not alone anymore, so I can't go back to being "Keikoku"...

If I could...

I need to become even stronger than Yuan
"Hota ru...?"
Keiko ku...
So...
I have to protect the place where I, Hotaru, belong... because I'm not alone anymore

!!
Then I'll make your ass glow like a "hotaru!" (hotaru=firefly)
Huh ?
I'd never forgive a guy who hurt my family...
Now we're even
Or a cac tus ...
He really does look like a firefly...
Ow... ow...
What the ...
Antho ny!!
What a brat
He loves him self
Does he ever ?
But he makes no sense ...
He's trying to be cool
SHUT UP!!
You haven't changed, Keikoku... you're the same as you always were
An thony ...
It'sokay for me to fight Yuan!?
Do what you want
But if you want to fight Yuan, go right ahead

You didn't just become a Goyousei because I wanted to ...
It sounds stupid, but... you just wanted to be the strongest
You're simple and honest and straightforward and you follow your heart... but I think that's the way people should be

Don't encourage him!!

Well said !!

And Shinrei, you've been looking a little faint - I could heal you much faster with my needles

Of course, since you're Keikoku's friends, I'll gladly give you my acupuncture treatment to unleash your hidden power

Do you really want to get stronger ?

Or do you still think you'll find your power by "speaking to your sword?"

I told you not to encourage him!

Uh... thanks, but ...

But ...

I... of course we do!

Limits and Miracles

I can't help it. The key to unlocking his hidden power just happened to be his ass

We don't want to end up like THAT!!

Me too ...

It feels so good ...

SAMURAI DEEPER KYO

GET OFF !!

You wimps !!

Are you trying to kill us!?

Yeah, we're soldiers, so you're not gonna get away that easy!

Come on, you don't have to be so stuck-up!!

They won't last long!!

They're getting sleepy so well!!

Yeah, don't let go!! Are you guys ready to beg for mercy!?

Get off, you brats !!

Wow, I don't want to make her angry ...

PLEASE FORGIVE US!!

YES !!

じゃぱっ

Aha haha, they are soooo dead ...

I'm feeling great!!

Since each person's hidden power is different, the method of releasing it is different too

As for Keikoku, I just used my needles on him a little while ago

So if you can control that power freely, you can speak to your sword ...

So lemme get this right - I've just got to talk to it? No way... you're saying I've got like, ultimate super bad-ass power in me, right?

Speak to your sword? Oh, like when it goes all shiny? I saw Muramasa-han do that!

Well naturally Muramasa-sama could do that.

Wow, there sure are a lot of letters

IS ANYBODY LISTENING TO ME!?

Oh please... even if you pulled off that little trick, I'm way ahead of you...

No, he's right.

Benitora...

You mean like when I was fighting Taihaku and my Hokuraku Shimon got all shiny!?

Dude, I thought that guy was gonna kill me, but I swear my spear saved me!!

Benitora, right? Somehow you've already managed to find your true power and speak to your weapon. Your Hokuraku Shimon has acknowledged you

You just don't have enough control over it yet

For it to have accepted you, you must be from a very elite bloodline

It is the Hokuraku Shimon of the Muramasa Demon Blades - it won't sumbit so easily

I'm leaving. I can't help Bon like this

Becoming strong just from some needle technique... that was a rotten lie to begin with

Hey, what's with this crap, An-chan!? Did he do something to piss you off?

Ah!! Ow ...

I guess I was right after all... that's got to be the place...

I have to know ...

What did Mom see on the other side of that door... I have to...

So you want to know what lies beyond that door?

Only those who bear the name of the Aka no Ou may pass through that door - for generations, all others have been forbidden. Beyond this door lies a secret place... your mind's eye will not be able to penetrate it

Keep annoying me and one of these days you'll end up dead

...Jeez, Fubuki, cool down. I wasn't trying to peep in your bedroom or anything. I don't care about your weird hobbies

...

Fubuki? How long have you been here?

I saw you trying to use your mind's eye to see beyond the door... not that it would work, but I won't give you the chance

The battle between Onime no Kyo and Nobunaga... everything went according to your plan

Just one more thing that you and Hishigi don't want the Mibu to know about, huh?

The Former Aka no Ou is an even sneakier bastard than you are.. neither of you would ever make a mistake. You're too smart for that

Yeah, I see everything with my mind's eyes

...So you've seen?

Don't play innocent, Fubuki... why are you leading them towards Hishigi? Some kind of experiment? This is all a part of your little plot, isn't it?

... And what of it?

I want you to keep Kyo's body safe

Shiina Nozomu knew... and the secrets of the Mibu lie within his body!!

That was, both Nobunaga and Shiina Nozomu die, and the secret stays safe. Well, I bet Hishigi's got a thousand backup plans too, right?

The Former Aka no Ou was afraid that his secret would be exposed, so that's why he let Nobunaga use that body

And then on the pretense of some challenge, he gave the body of Shiina Nozomu, someone who knew the Mibu's greatest secret, to Nobunaga ...

I mean, from the beginning it's been the Former Aka no Ou telling us Taishirou to steal Onime no Kyo's body. It's all kinda suspicious

Onime no Kyo's true body ...

Mibu Kyoushirou, that is...

...I don't know what you're talking about ...

You made one little miscal-culation ...

You didn't think about what he wants ...

You weren't planning on him showing up and announcing that he's going to take Onime no Kyo's body to the Red Tower... along with that girl who might know the secret

...So, Fubuki, what is it that *you* want? You wanna be the Aka no Ou? Or...

You'll have to rewrite your entire scenario... so what has it all been for, huh?

So what are you going to do? He'll be here soon

Yuan never wanted to join the Taishirou - he only did it to protect our family

A prisoner!? And we're supposed to save him.. !? He's a Taishirou, what can we possibly ...

He doesn't have a choice - in order to protect us, he works for them

Yeah, but what does Yuan care about politics?

But Yuan is really strong!! Didn't Fubuki, the leader of the Taishirou himself, pick Yuan!?

...I've heard about Yuan before...

What!? Why would anyone ...

While she was a member of the Taishirou, she plotted rebellion against the Mibu... she was executed as a traitor

What!? Your mom was a Taishirou too!?

But... Ian of the Taishirou was.....

Before Yuan joined them, his mother, Ian, served as one of the Taishirou...

That's not true!! Our mom would never betray anybody!!

That is a total lie!!

Whatever they're saying about her, it's not true... I will kill whoever started these lies!!

Our mother hated dishonest people most of all! So there's no way... there's no way she could do something so cowardly ...

A lie!? Why would they need to lie?

Our mother ...

But you saved us... why?

You must have known that Tokito's people would come ...

Although Yuan is a Taishirou and we have official status as his guards, whenever we leave home on surveillance missions, the rest of the clan looks on us with hatred because we carry the blood of a traitor ...

This tiny, isolated house is the only place we can ever feel at home...

...I'm begging you, Keiboku ...!!

As relatives of a traitor, our entire family would have been executed... but Yuan made a deal with Fubuki. He said that to make up for our mother's transgression, Yuan would have to join the Taishirou and devote his life to the Mibu. And so our family was spared...

...But you don't have any proof ...

...So now, our family has no freedom...

I wanted to get stronger... that's the only reason

Is this because of Mother!? Haven't you served the clan enough already!?

Why... why do you and Keikoku have to fight!?

Jeez, are you guys still going on and on about Mom? What a load of crap. You'd be better off if you just forgot about her

But brother !!

And I'll kill anybody who gets in my way... even if they're "family" !!

You guys don't know anything... you don't understand anything ...

That's not why I joined the Taishirou ...
